

Election

Hulet Smith won the Democratic nomination for Governor Tuesday by a majority estimated to be about three to one.

The members of the Board of Public Works were renominated.

Hans McCourt seemed assured of re-election.

In the Delegate District, it seems Tom Edgar and John Bowling will be the nominees.

Unofficial grand totals for both counties are Edgar 8635, Bowling 3538, Bowman 3080, Walkup 2749, John 1207, Campbell 1182, Robinson 760.

These figures are unofficial since they had not completed totaling the returns at the Court House before we printed.
